## Our Products & Services

Recommended by our Dedicated Team

### Dehydrated White Onion Products

We have set-up the most modern and integrated dehydration facility in the midst of a large onion and vegetables growing area. We supply high quality seed to our growers and get onions and vegetables grown on contract. These are harvested at the peak of maturity, flavor and taste and quickly transported to our processing facility. Manual harvesting enables the growers to supply clean and high quality produce demanded by Farm.

Located in Gujarat, our company is actively engaged in manufacturing, exporting and supplying of Dehydrated White Onion Products. Our range includes Dehydrated White Onion Flakes, Dehydrated White Onion Granules, Dehydrated White Onion Minced and Dehydrated White Onion Powder. Our White Onion Products are provided in quality assured packaging material that preserves their freshness and flavor for longer duration. We can process bulk orders and can also consider urgent requirements.

Uses: Preparation of pizza, ready to eat foods, pickles, soups, and various food pest preparations. Dry casserole mixes, stuffing mixes, food service & fast foods.
